Section 1 – Fees and Invoicing Policy

ATHE is committed to a fair fees policy to ensure maximum learner accessibility.

- Learners **must** be registered within **28 days of enrolment at the centre**. Failure to register learners will result in late fees being applied as outlined in Section 3.
- Invoices **must** be paid within **28 days from the date of invoice**.
- ATHE Subscription Model – agreed payment for the initial centre approval will be due on application and is payable within **28 days from the date of invoice** – non-payment after 30 days will result in withdrawal of application.
- ATHE reserves the right to amend fees by giving **28 days written notice** to all ATHE recognised centres.
- If a learner transfers to a larger qualification after commencing an ATHE qualification and wishes to transfer prior to certification, then the centre will pay the difference between these learner registration fees.
- Learners must be registered for a minimum of 8 weeks prior to learner moderation and certification taking place.
- ATHE subscription members: payments must be made in accordance with the ATHE Centre Agreement; failure to make payments will result in withdrawal of your recognition.

International Bank Charges and Local Tax Arrangements

The payer is responsible for all international bank fees/charges when wiring money from overseas. Any local tax liabilities are also the responsibility of the payer to settle, without deduction from the invoiced total. The invoice will not be cleared until the invoiced amount has been received in full.

Credit Control

Statements of Account are sent monthly to centres by email, highlighting any invoices that are overdue for payment. Invoices which have not been paid for over **60 days** from the date of the invoice will be liable to interest charges at **2%** above the published Bank of England base rate.

Registration invoices that remain unpaid beyond 90 from the date of the invoice days may result in learners being withdrawn, invoices being cancelled and sanctions applied including suspension and withdrawal of recognition.

ATHE Refund Policy

Please note that the following rules regarding refunds apply:

- **Centre Recognition fees** – are non-refundable once an application is submitted.
- **Withdrawal refunds** – no credits will be made for learner withdrawals after 14 days from the date of the invoice being raised for learner registration, except on medical grounds, in which case supporting evidence will be required. If a centre submits learner withdrawals after the 14 days of the invoice date the invoice would still be payable in full, and the registration removed.

Where applicable VAT will be charged – Reg No. 223 3462 38

Section 5 – Additional Service Fees

Additional service fees are only charged where additional services or exceptions apply beyond ATHE's standard processes - such as quality assurance activities, training, or appeals

Quality Assurance These fees are only payable in specific circumstances where additional moderation, reviews, verification, training, or appeals are required beyond the standard qualification processes.	Fee
EQA administration fee This fee of £150 is payable when fewer than three learners are submitted for moderation per qualification suite. Submissions for different levels of the same subject (e.g., Level 3 Business and Level 4 Business) are treated together, with a single fee applied. Submissions from different subject specialisms (e.g., Level 4 Law and Level 4 Accounting) are treated separately, and the fee is charged for each subject specialism with fewer than three learners.	£150
Monitoring and Development review - <i>Plus, expenses if site visit is required</i> This fee is payable when a Monitoring and Development review is required. The objective of the review is for ATHE to be assured that the required standards for the delivery and assessment of our qualifications are in place, and that learners registered have the appropriate opportunities to achieve.	£500
Verification fee This fee is payable when verification of a cohort of learners takes place prior to the results being submitted for moderation. Verification may be particularly helpful for new centres, or centres delivering a qualification for the first time, who may feel they would benefit from some additional support prior to submitting their results for moderation.	£150
Centre bespoke training - In person <i>Daily rate (excluding travel and expenses)</i> - Online <i>2hr session</i> This fee is payable when a centre requests or is required to undertake training designed specifically for them. Pro rata fees are available for shorter sessions.	£500 £150
Centre enquiry fee* This fee is payable if a centre raises an Enquiry. An Enquiry can be made if a centre contests the decision(s) taken by an EQA where the moderation report states that assessment decisions have not met the required standard.	£200
Centre appeal fee* This fee is payable if a centre raises an Appeal against an ATHE decision to an Enquiry.	£370
Centre enquiry fee on behalf of the learner* This fee is payable if a centre raises an Enquiry on behalf of a learner. A learner can raise an Enquiry if they contest the decision(s) taken by an EQA where the moderation report states that assessment decisions have not met the required standard.	£200
Centre appeal fee on behalf of the learner* This fee is payable if a centre raises an Appeal on behalf of a learner against an ATHE decision to an Enquiry.	£270

* If ATHE upholds an Enquiry or Appeal the full fee will be refunded. For further information regarding Enquiries and Appeals please see the 'Enquiries and Appeals concerning ATHE Qualifications' policy on the ATHE Centre Portal.

Section 6 – Unit Fees

These are only applicable when a learner registers for a single unit, not a full qualification. They are not in addition to standard learner registration fees. A minimum of five units must be submitted at the same time for EQA (same qualification); otherwise, an EQA administration fee will apply.

Qualification Unit Level	Zone 1	Zone 2
Level 3	£55	£35
Level 4	£70	£45
Level 5	£75	£50
